

RETURN TO BRINKLOW AND ALVECOTE

With the damage to the Rising Sun lock at Berkhamstead, the boats are again stuck, this time at the Fisheries Hemel Hempstead. Once the lock is repaired we need to move the boats to Long Buckby and then on to Brinklow for the repairs to be done to Brighton.

I have had replies to my previous email about this and have a captain ready to do this once we can get going again.

	Captain	Crew	Out to help
Fisheries to Long Buckby xx - 11- 2024 On or after the 19th November if lock is repaired	Colin Wilks	Barry Adams Paul Marvin	Kirk Martin
Long Buckby to Brinklow As soon as the Braunston stoppage is finished 19 - 12 2024 ??	Howard Williams	Peter Thompset ?	
Brinklow To Alvecote (Nuneaton only)	Howard Williams
